

# CRYSTAL VALLEY TRAIL MAP HIKING & SKIING AREA

Discover more about the area at: [ThinkDunes.com](http://ThinkDunes.com)

2,000 acres of federal land provide five loops at nearly 10 miles of groomed skiing in the winter and hiking during warm weather months. The forest in the area is primarily black aspen, beech, maple and white pine. There is a wide variety of wildlife including deer, grouse, fox, bobcat, numerous bird species. The trail system is groomed by volunteers during the ski season.
